About Julong Holding Limited

Founded in 1997, Julong is a growth-oriented professional provider of intelligent integrated solutions to public utilities, commercial properties, and multifamily residential properties operating at scale in China. The Company's comprehensive suite of intelligent integrated solutions includes systems for intelligent security, fire protection, parking, toll collection, broadcasting, identification, data room, emergency command, and city management. Since its inception, Julong has focused on the successful and on-time execution of complex projects, through its "deliveries before deadline" and "customers first" initiatives. As Julong continues to cross-sell its service and solution offerings and advance its purpose-built technologies, the Company is well-positioned to achieve economies of scale and capture future opportunities.
